Granta and Ilana,

I was sent this message this afternoon by our Office of Public Affairs. As a matter of policy, EPA does not comment on other parties' press releases. As the attorney assigned to this matter, I would appreciate if you and your client copy me on communications of this nature in the future.

Regards,

Sheila McAnaney

Subject: REVISED Statoil release, Q&A document

All,

Attached is the revised release that Statoil will distribute to area media today at 4 pm EST on the incident. We've also provided a Q&A document so that you have visibility into how we plan to respond to questions prompted by this release and at the community event on Thursday.

Please advise right away if you have comments or questions.

Regards,

Jim Schwartz
